

A FATAL FIRE.

Two Persons Killed and Several Injured at a Chicago Blaze.

CHICAGO, Jan. 4.—At 2 o'clock fire broke out in the all-night restaurant under the Waverly hotel, 262 Clark street. The hotel was at once filled with smoke, and the occupants rushed into the hallways and attempted to reach the lower floor. As a result of the fire, two persons were killed, one fatally hurt and four others quite badly injured. The killed are:

John Meridith, sixty-five years old, residence unknown.

Paul Wood, seventeen years old, son of Samuel F. Wood, suffocated.

Those injured are: Mrs. S. F. Wood, right leg broken and injured internally, will die. Samuel F. Wood, Jr., badly bruised and partly suffocated, will recover. Mrs. Edward C. Dwyer, overcome by fright and smoke. J. K. Clay, overcome by heat. Mrs. J. E. Smith, overcome by smoke. N. Frank, slightly injured about the shoulders by falling debris.

The fire, although small and kept confined to the restaurant, was very exciting, all the scenes usually incident to a hotel being witnessed. The clerk, after strenuous efforts, succeeded in rousing all the guests, the two who were suffocated being found at some distance from their rooms. Several were carried out of the building by firemen and hotel employees after being half suffocated. The loss to the restaurant is small, being less than \$1,200.

ALMOST A HOLOCAUST.

A Female College Burns and the Occupants have a Narrow Escape.

SPARTANBURG, S. C., Jan. 4.—Converso college, situated in a large grove, a few miles from here and over half a mile from the nearest house, was burned Saturday night. The building accommodates 150 pupils and was full at the opening of the present term. Nearly 100 of these had gone home for the Christmas holidays, leaving fifty besides the college force in the building. Saturday night was intensely cold and the furnaces were tested to their limit. About half an hour after midnight a colored man hurrying by noticed flames shooting from the furnace room. Before he could give the alarm the central wing of the building seemed to be on fire. The main stairways reaching to the dormitories were soon aflame.

Two men who had by this time reached the building broke open the doors of the west annex and ran from door to door awakening the occupants. As the girls crowded into the hallways and saw the main exits closed against them great confusion reigned. The matrons found it almost impossible to give directions. One young woman had her hands and face terribly burned. At length they were put on the way to escape through the annex stairway, and began streaming out into the open air. The loss is about \$50,000; insurance, \$50,000.

No insurance.

HELD UP BY HIGHWAYMEN.

They Get Six Thousand Dollars Worth of Jewelry from a Chicago Drummer.

HELENA, MONT., Jan. 4.—Three highwaymen held up a stage near the Omaha line not far from Boner's Ferry early Saturday night. They made a rich haul, securing about \$6,000 worth of jewelry from Ed. L. Huntley representing a Chicago wholesale house. The robbers also got about \$100 in cash. There were four men and two women in the stage, which was on a low eled, and there were three of the robbers. No violence was necessary, as the victims were all tractable. Huntley offers \$1,000 for a return of the jewelry.

The corporators are determined to make it a first class school in all respects. Elegant and commodious buildings will be erected next summer.

A Very Common Want. "Out of sorts," "distrait," "the blues," these are familiar appellatives for uncomfortable, undefinable sensations, accompanied with lassitude, nervousness, indigestion. Poverty of the blood, to remedy which an effective stomachic persistently used is the paramount need, is conclusive evidence that the system is insufficiently nourished because—and for no other cause where organic disease does not exist—the food is not assimilated. Reinforce the flagging energies of the stomach, reform an irregular secretion of the bowels, keep up a healthy secretion of the bile with Hostetter's Stomach Bitters. For over thirty years this popular medicine has supplied the common want of the nervous invalid, the dyspeptic and of persons deficient in vitality, an efficient tonic. To its power of imparting strength is attributable its efficacy as a preventive of malaria and a gripper. Thoroughly effective it is too for rheumatism, kidney complaint and neuralgia.

A TOWN TERRORIZED

By a Band of Colored Desperadoes Led by a White Man.

PINE BLUFF, ARK., Jan. 4.—Linwood, a village twelve miles from here, is in a ferment of excitement caused by the work of a mob of a dozen negroes led by a white man named Puryear. It appears that this band has been terrorizing the town for some time. Its members have been circulating petitions for the removal of the railroad station some distance south of its present location, but they were strongly opposed by Dr. Bryan, a well-to-do citizen. In revenge the desperadoes visited the doctor's gin and set it on fire and burned it to the ground. They then fired the depot and proceeded through the streets, firing their Winchester into the houses as they went along with a view of keeping the villagers indoors. The depot was totally destroyed. The sheriff immediately organized a posse, and at last accounts had lodged Puryear and three of his gang in jail.

A BIG STRIKE

Of the Elgin Watch Company's Employees Threatened.

ELGIN, ILL., Jan. 4.—Three thousand operatives of the Elgin National Watch Company stand ready to strike, and only await the signal to quit work. Several hundred skilled workmen in two departments walked out yesterday, and unless all signs fail the strike will become general. Nothing else was talked of last night. Two weeks ago there were rumors that a general cut down was contemplated by the management. These rumors were verified on the pay day following, when the employees found their wages decreased from 15 to 60 per cent.

Whooping cough, croup, sore throat, sudden colds, and lung troubles peculiar to children, are easily controlled by promptly administering Ayer's Cherry Pectoral. This remedy is safe to take, certain in its action, and adapted to all constitutions. d4w

King of Medicines

Scrofulous Humor—A Cure

"Almost Miraculous."

"When I was 14 years of age I had a severe attack of rheumatism, and after I recovered had to go on crutches. A year later, scrofula, in the form of white swellings, appeared on various parts of my body, and for 11 years I was an invalid, being confined to my bed years. In that time ten or eleven sores appeared and broke, causing me great pain and suffering. I feared I never should get well. Early in 1881 I went to Chicago to visit a sister, but was confined to my bed most of the time I was there. In July I read a book, 'A Day with a Cure,' in which were statements of cures by Hood's Sarsaparilla. I was so impressed with the success of this medicine that I decided to try it. To my great gratification the sores soon decreased, and I began to feel better and in a short time I was up and out of doors. I continued to take Hood's Sarsaparilla for about a year, when, having used six bottles, I had become so fully released from the disease that I went to work for the Flint & Walling Mfg. Co., and since then I HAVE NOT LOST A SINGLE DAY on account of sickness. I believe the disease is expelled from my system. I always feel well, am in good spirits and have a good appetite. I am now 27 years of age and can walk as well as any one, except that one limb is a little shorter than the other, owing to the loss of bone, and the sores formerly on my right leg. To my friends my recovery seems almost miraculous, and I think Hood's Sarsaparilla is the king of medicines." WILLIAM A. LENA, 9 N. Railroad St., Kendallville, Ind.

The Key to Success

in washing and cleaning is *Pearline*. By doing away with the rubbing, it opens the way to easy work; with *Pearline*, a weekly wash can be done by a weakly woman. It shuts out possible harm and danger; all things washed with *Pearline* last longer than if washed with soap. Everything is done better with it. These form but a small part of the of *Pearline* every year. Let *Pearline* do its best and there is no fear of "dirt doing its worst."

Turn the Key On the peddlers and grocers who tell you "this is as good as," or "the same as" *Pearline*. IT'S FALSE; besides, *Pearline* is never peddled.
